

READ BEFORE ENTERING

Per local government mandates we're implementing changes to keep everyone safe:

WEAR A MASK

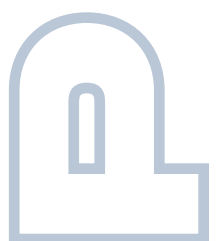

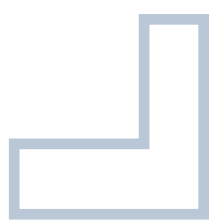

For the safety of our team and others we require that all customers wear face masks. We're providing free face masks in the shop if you forgot your own.

ON HOLD

Beard Trim services and complimentary beers are currently not available in support of masking efforts.

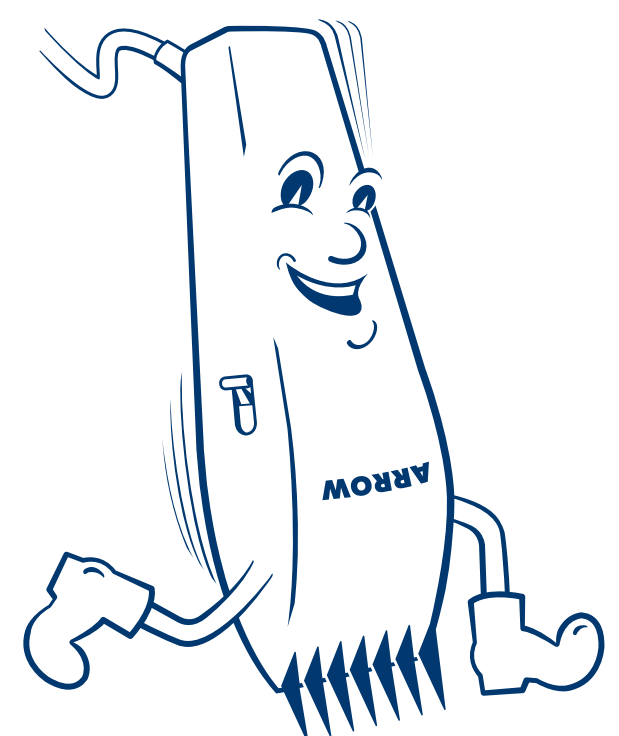

We hope to resume these offerings soon.

NOT FEELING WELL?

We will be taking customer temperatures upon your arrival. Please postpone your appointment if you aren't feeling well or have a temperature. We're happy to reschedule.

Thank you...

now let's cut that hair
